FUND RAISING

The PTEF is supported in large part through our fund raising activities.

Treasures for Education Auction

This annual fund raiser is a semi-formal dinner and auction evening event. The event includes both a silent and live auction of items donated by

individuals, the school district, and community organizations and businesses.

Fore! Education Golf Outing

This annual event is a fun-filled day of golf, including great food and prizes! Corporate sponsorships, foursomes, and individual players are welcome.

Education License Plates

The Indiana Education Trust "Committed to Education" license plate offered by the Bureau of Motor Vehicles features the nationally syndicated cartoon character Garfield. Indicating that you wish the proceeds to benefit the PTEF when you purchase the Garfield Education Trust plate provides a percentage of the price to the PTEF.

Dedicated to enhancing the educational experience of every Pike student.

OUR MISSION

Organized in 1993, the Pike Township Educational Foundation works to enhance the educational experience of every Pike student by providing resources for innovative, high quality approaches to education.

The PTEF is a not-for-profit 501 (c) (3) organization. Although a separate entity from the Pike Township Schools and its Board of Education, the Foundation's sole purpose is to augment public education in Pike Township. The PTEF is governed by a volunteer Board of Directors comprised of Pike parents, retired Pike educators, and Pike business owners and has one employee. The PTEF is supported through fund raisers, corporate sponsorships, and private donations.

SUPPORTING OUR STUDENTS

The PTEF supports our students through scholarships, student recognition, and district funding.

Scholarships

Scholarships are awarded to Pike seniors who excel in academic talents in the classroom or good citizenship in the community, and who plan to further their education. The Pacers Academy Scholarship is one of the newest scholarship, added in 2007.

<http://www.pike-ef.org/scholarships>

District-Wide Funding

The PTEF supports several district-wide programs through "super grants." These are generally large-scale projects, often initiated by the school district. Some of the past programs include funding for the Pacers Academy High School Science Mini Lab, start-up funds for the C.L.A.S.S. Classroom Management Program for all Pike Schools, assistance with the purchase of ELLIS Software for all Pike Schools, and funds for the NWEA Achievement Level Testing pilot program.

Students participate in "Math in your Feet," a program funded by a PTEF grant provided to New Augusta South teacher Jane Cooney.

SUPPORTING OUR EDUCATORS

The PTEF supports teachers and other educators through grants and educator recognition.

Grants

Thousands of dollars are provided to educators in Pike Township each year to finance innovative ideas for helping children learn. Grants can affect a single classroom, a school, or the whole district. Grant writing workshops are offered before each grant cycle to help educators write and submit grant applications.

Celebrations Banquet

Each spring, teachers are recognized for excellence in service to Pike Township Schools and its students. Guests of the Celebrations

Teacher Awards Banquet are treated to an elegant dinner, door prizes, live music, and raffle items. New grant recipients are announced, and PTEF honors an outstanding Pike teacher with the Champion Teacher Award. The PTEF also recognizes the Teacher of the Year, a distinct honor given annually to a certified teacher selected by his or her peers.
